SPRING EDITION

Mission Report

We have flown 38 missions since our last newsletter. Bob Eubanks flew Charles Dunn of Troy, AL to Houston for treatment of cancer. Andy Counselman was also flown to and from Houston for his treatments. Lois Stant, an evacuee from New Orleans, was flown to West Virginia to live with other family members after she was left homeless from hurricane Katrina. Lynn McNorton flew Amanda Davenport to and from Houston from Eufaula several times for treatment of cancer. She is in need of much prayer and a touch from God.

Kinsley Bulgar, a 3-year-old with cerebral palsy, was flown to Shreveport, LA for a specialized treatment. Terry Chapman flew Jimmy Crenshaw of Monroeville to and from Houston several times. He continues to battle cancer, and is doing better. James Griffin of Grove Hill was flown to Houston for cancer

treatment. Janet McNeil of Evergreen was flown by Bob Eubanks to Gainesville, FL for cancer evaluation.

Jessica Patrick, an 18-year-old of Jackson, AL was flown by Bob Eubanks to Houston for evaluation of a brain tumor. Angela Powell of Monroeville was flown to New Orleans to assist her in getting to Houston for a cancer evaluation. Georgia Garrick of Grove Hill was flown to Houston for lung cancer treatment. Paul Olson of Mobile was flown home from Houston after he developed Crohn's Disease while on a mission trip in Colorado.

Our prayer for all of these is that they will not fear, for God is with them. That He will strengthen them, uphold them, and heal them. And that they will acknowledge and praise Him in all they do.

Pilots for Christ Mission Support

Since January, 2006, donations have been \$9,470, and expenses have been \$3,552. So many have given unselfishly to this ministry, and we thank you. I am humbled that with all the cries for assistance in this world, that you choose to give to Pilots for Christ. May the Lord from whom all blessings flow, bless you!

From the President...500 Missions Flown! ! !

Praise God!!! We have just completed our 500th mission for the glory of God. He has blessed us and protected us, He has provided for us, and He alone is due all praise, honor and glory!

The number of missions may be 500, but when you consider spouses, children, other family members, organizations and churches, the number of people impacted for the cause of Christ is unbelievable. On behalf of all our members, let me thank each and every one of you for your heartfelt gifts and prayers. Pilots for Christ is so much bigger than me or any one pilot. Our Mission Coordinator and Secretary, Phillip Allen, spends countless hours planning missions. Our Treasurer, Haniel Croft, daily ensures all contributions are accounted for and properly handled. As you know, we have no administrative costs, rents, salaries or any benefits. 100% of your donations support this ministry.

Terry Chapman, Bob Eubanks, and Lynn

McNorton donate their time and their airplanes. Others donate discounted services to make all of this possible. Still others are in prayer every time we fly, lifting us up before the Father. God also seems to touch some with a passion to raise funds for this ministry.

The reason all of us do what we do can be found in Matthew 10:8. Jesus Himself said, "Freely you have received, now freely give." After all He has done for us, how can we not do for others!

Every year, more and more people are asking us for help. By using our individual gifts and talents, together we can meet these needs. If we do this, the next 500 missions could bring even more glory to God. May He truly bless you for the part you play in making Pilots for Christ a success.

In His Service,

Tommy
