717 Successful Missions Flown

Mission Report

Since our last newsletter, we have flown 38 missions. We flew Annie Mae Nix from Montgomery to Little Rock, AR for cancer treatment. Terry Chapman flew Jerry Sasser of Evergreen to MD Anderson Cancer Center in Houston for treatment. Sadly, Jerry passed away recently, so pray for his family during this time. Miacene Turner was flown from Atlanta to Norfolk, VA for treatment of cancer.

94-year-old Corine Craige was flown to Birmingham following hip surgery. Little 8-year-old Taylor Trembley was flown to Birmingham for specialized treatment of a rare childhood cancer called neuroblastoma. Brad Page was flown to Houston for cancer treatment. Zadie Ikner was flown to Galveston for specialized surgery at Shriners Hospital. Emma Baggett was flown to Galveston for burn treatments.

We assisted Pastor Lance Sawyer and his family on their return from Monroeville to Oklahoma. Chuck Cook and Fred Kelley assisted as we flew John

Liverman from Auburn to Asheville, NC. John suffers from lung cancer. Mike Floyd was flown to MD Anderson for specialized cancer treatment of a tumor. Brenda Weaver of Demopolis was flown to Little Rock for cancer treatment.

Gaylen Richardson was flown from Monroeville to Bay City, TX after becoming disabled from an accident. Anthony Overly and Kamerian Clark of Mobile were flown to Raleigh. Anthony was involved in an automobile accident, and 8-year-old Kamerian suffers from severe aplastic anemia.

Terry Chapman flew Tracey Jaye to Houston for specialized cancer treatment. Lynn McNorton and Chuck Cook flew Jeanette Coburn to Little Rock, and Peggy Cooper was flown to Houston — both for cancer treatments. Glenda Robinson was flown from St Petersburg, FL to Monroeville after she had a stroke. 82-year-old Marguerite Lambert was flown from Jacksonville, FL to Monroeville suffering with pneumonia.

From the President...

Chances are that everyone has been hurt by this economic downturn. As a ministry, we also have had more calls and less donations to serve those in need. But, this is also a great time to stand firm on our faith in Jesus Christ. Our hope is in Him alone, our times are in His hands, and He is full of mercy and goodness to all who love Him. So remember His words, "Do not fear for I am with you." He is still on the throne. **And He is still King of Kings!**

Tommy

Pilots for Christ Mission Support

PFC **income:** \$22,842, and PFC **expenses:** \$49,044 since our last newsletter. We thank God for all of you who have given so unselfishly. Our goal is to be a "pass-through" of God's mercy and grace for God's glory!
